- CALL FOR EXPERTS -

**REPRESENTING ENVIRONMENTAL INTERESTS IN THE DEVELOPMENT OF
EUROPEAN STANDARDS IN THE FIELD OF ECODESIGN FOR LAUNDRY APPLIANCES, DISHWASHERS AND
COOKING APPLIANCES**

Application deadline: 23/04/2017

ECOS is looking for experts in the field of Ecodesign for laundry appliances, dishwashers and cooking appliances to represent environmental interests in the development of standards. Experts will provide technical and scientific input to discussions, in accordance with the related policy context and ECOS strategy.

ECOS is the only pan-European NGO promoting the environment in the development of standards. With over 15 years of experience in standards and technical policies, ECOS represents 43 European and national members, including WWF, EEB, and Friends of the Earth Europe. ECOS is a partner organisation of the two standardisation organisations CEN and CENELEC. Find out more about ECOS on: www.ecostandard.org

The nominated expert(s) will represent ECOS in the standardisation work related to the aforementioned products under Ecodesign (energy performance and material efficiency aspects) in various WGs of CLC/TC 59X "Performance of household and similar electrical appliances".

The nominated expert(s) will be responsible for:

- Participating and promoting ECOS' position in the standardisation group meetings;
- Providing technical input (e.g. official comments and position papers), in close cooperation with the ECOS Policy Officer;
- Monitoring and reporting on the activities of the indicated standardisation group;
- Reporting to ECOS Policy Officer and completing follow-up actions upon agreement within the defined deadline;
- Participating actively in ECOS' relevant task force including ECOS member organisations and other TC/WG experts on a regular basis.

Interested candidates should be able to illustrate an in-depth knowledge in the topic area of the indicated technical committees. Experience with, and understanding of, the policy context of the topic area will be considered a strong asset. Candidates should also demonstrate a strong commitment to environmental NGO values. **Fluency in English is a must.**

ECOS will offer:

- Expert fees of 500€ per day for preparation of meetings, participation and reporting, as well as for any other tasks performed in between meetings;
- Per diem to cover accommodation and subsistence costs;
- Reimbursement of travel costs.

If interested, please send your CV and cover letter outlining your motivation to represent ECOS in this process, and past experience in the field, to chris.spiliotopoulos@ecostandard.org no later than 23 April 2017.
