

CALL FOR EXPERTS

to represent ECOS in the field of

ECODESIGN STANDARDS AND REGULATIONS

Application deadline: 21/03/2019

ECOS is looking for experts in the field of energy-related products under the Ecodesign framework to provide us with technical input and represent ECOS position in the development of standards and regulations.

ECOS is the pan-European NGO promoting environmental interests in the development of standards. With nearly 20 years of experience in standards and technical policies, ECOS represents around 50 European and national members, including the *European Environmental Bureau*, *Friends of the Earth Europe*, *Transport & Environment* and *WWF*. ECOS is a partner organisation of the European standardisation organisations CEN and CENELEC, a member of ETSI and a liaison organisation to IEC & ISO. ECOS is also an official member of the European Commission's Ecodesign & Energy Labelling Consultation Forum.

Find out more about ECOS on: www.ecostandard.org

The experts should have expertise in one or several of the below product groups:

- | | | |
|----------------------------|---------------------------|--|
| • Washing machines | • TVs | • Pumps |
| • Dishwashers | • Computers | • Kettles |
| • Tumble driers | • Imaging equipment | • Smartphones, gateways & base stations |
| • Refrigerating appliances | • Lighting products | • Taps & showerheads |
| • Cooking appliances | • Space and water heaters | • Horizontal material efficiency aspects |
| • Vacuum cleaners | • Air conditioners | |
| • High-pressure cleaners | • Heat pumps | |
| • Smart appliances | • Industrial fans | |

The nominated experts will:

- Participate in technical meetings of CEN/CENELEC (and ISO/IEC where appropriate) and/or in regulatory meetings to promote ECOS positions;
- Prepare technical input through official comments and position papers;
- Report to and liaise with the relevant ECOS Programme Manager;
- As requested exchange information with ECOS member organisations and other experts.

Interested candidates should be able to demonstrate in-depth knowledge in the specific product group(s). Experience with, and understanding of the EU Ecodesign and Energy Labelling policies, as well as energy and resource efficiency policies and standardisation developments will be considered a strong asset.

Candidates should demonstrate strong commitment to environmental NGO values and have proven written and oral communication and negotiation skills. Fluency in English and willingness to travel are required.

ECOS offers:

- A daily fee for preparation of meetings, participation and reporting (and for other relevant tasks);
- Reimbursement of travel costs;
- Per diem to cover accommodation and subsistence costs.

*Please send your CV and cover letter outlining your motivation, indicating the product categories of your expertise and specifying your field of interest i.e. standardisation and/or regulation, and demonstrating your suitability to support and represent ECOS to nerea.ruiz@ecostandard.org by **21 March 2019** COB. Applications will be assessed by an internal selection panel on a rolling basis. Only shortlisted candidates will be contacted.*
