

CALL FOR EXPERTS

to represent ECOS in the field of

ECODESIGN STANDARDS AND REGULATIONS: TAPS & SHOWERS

Application deadline: 27/11/2019

ECOS is looking for experts in the field of energy-related products under the Ecodesign framework to provide us with technical input and represent ECOS position in the development of standards and regulations. Expertise in the product group of taps and showers is a must.

ECOS is the pan-European NGO promoting environmental interests in the development of standards. With nearly 20 years of experience in standards and technical policies, ECOS represents around 50 European and national members. ECOS is a partner organisation of the European standardisation organisations CEN and CENELEC, a member of ETSI and a liaison organisation to IEC & ISO. ECOS is also an official member of the European Commission's Ecodesign & Energy Labelling Consultation Forum. Find out more about ECOS on: www.ecostandard.org

The nominated experts will:

- Participate in regulatory meetings and/or technical meetings of CEN/CENELEC (and ISO/IEC where appropriate) to promote ECOS positions;
- Prepare technical input through official comments and position papers;
- Report to and liaise with the relevant ECOS Programme Manager;
- Exchange information with ECOS member organisations and other experts as needed.

Interested candidates should be able to demonstrate in-depth knowledge in the specific product group of taps and showers. Experience with and understanding of the EU eco-design and energy labelling policies, as well as energy and resource efficiency policies and standardisation developments will be considered a strong asset.

Candidates should demonstrate strong commitment to environmental NGO values and have proven written and oral communication and negotiation skills. Fluency in English and willingness to travel are required.

ECOS offers:

- A daily fee for preparation of meetings, participation and reporting (and for other relevant tasks);
- Reimbursement of travel costs;
- Per diem to cover accommodation and subsistence costs.

*Please send your CV and cover letter outlining your motivation, indicating the product categories of your expertise and specifying your field of interest i.e. standardisation and/or regulation, and demonstrating your suitability to support and represent ECOS to nerea.ruiz@ecostandard.org by **27 November 2019 COB**. Applications will be assessed by the secretariat, applying ECOS procurement policy. Only shortlisted candidates will be contacted.*
