

# Call for experts

to represent ECOS in the field of

## Furniture – material efficiency aspects

Application deadline: 01/12/2021

ECOS is looking for experts in the field of furniture to represent and defend environmental interests in the development of standards and related policies. Our experts provide us with technical and scientific input and represent ECOS in standardisation processes and multi-stakeholder discussions.

ECOS is an international NGO with a network of members and experts advocating for environmentally friendly technical standards, policies and laws. With 20 years of experience, ECOS represents over 50 national and European members, including the *European Environmental Bureau*, *Friends of the Earth Europe*, *Transport & Environment* and *WWF*. ECOS is a partner organisation of the standardisation organisations CEN and CENELEC, a member of ETSI and a liaison organisation to IEC & ISO. To support our work to move to a circular economy, mainstream circular business models and make sustainable products the norm, we are looking for an expert who could focus on the furniture sector, ensuring its circularity, durability as well as fair and sustainable production.

Eligible experts will have in-depth knowledge in several or all of the following topics:

- Circularity performance of furniture, including material efficiency aspects such as durability, reparability and recyclability,
- Sustainable product design, including circular design aspects, substances of concern, etc.
- The use of hazardous substances in production and products.
- Sustainable sourcing.

Interested candidates should be able to demonstrate in-depth knowledge in one or several items listed above. Experience with and understanding of EU product policy will be considered a strong asset. Candidates should demonstrate strong commitment to environmental NGO values and have proven written and oral communication and negotiation skills. Fluency in English and willingness to travel are required. The nominated experts will:

- Participate in technical meetings of [CEN](#) (and possibly [ISO](#)) to promote ECOS position;
- Prepare technical input through official comments and contribution to ECOS position papers;
- Report to and liaise with the responsible ECOS Programme Manager;
- Exchange information with ECOS member organisations and other experts when needed.

### ECOS offers:

- A daily fee for preparation of meetings, participation and reporting, and/or other technical work;
- Reimbursement of travel costs;
- Per diem to cover accommodation and subsistence costs.
