

# Senior Programme Manager – Buildings & Industry

**Application deadline: 6 March 2022**

10 February 2022

We are looking for a highly motivated Senior Programme Manager to join our Circular Economy team to lead our engagement in the development of policies and standards towards a decarbonised, sustainable and circular built environment and industry.

**About ECOS:** ECOS is an international NGO with a network of members and experts advocating for environmentally friendly technical standards, policies and laws. We ensure the environmental voice is heard when they are developed and drive change by providing expertise to policymakers and industry players, leading to the implementation of strong environmental principles. ECOS is headquartered in Brussels and has an exceptional team of 24 staff supported by a network of over 50 technical experts and more than 50 member organisations.

## Your main tasks will be to:

- Lead ECOS strategy in the field of **buildings & industry**, with a view to promote the environmental interest in international and European policies and standards
- Create impact through advocacy, standardisation and campaigns
- Lead a team of Programme Managers
- Develop a portfolio of grants aligned with our strategic objectives
- Contribute to ECOS strategic development
- Raise ECOS profile at national, European and international level, and notably towards standardisation organisations, European institutions, UN fora, etc.
- Engage and collaborate with our members, other NGOs and stakeholders

## Skills and experience required:

- Minimum 7 years of relevant professional experience, preferably with NGOs, institutions, consultancies, or companies working in the environmental field
- Knowledge of the buildings and/or industrial policies at national, European or international level
- Demonstrated experience in developing & implementing strategies to achieve change
- Line management experience
- Commitment to the values, vision and mission of environmental NGOs
- Strong analytical skills & ability to translate technical content into relatable information
- Excellent time and project management skills
- Ability to work effectively both independently and as part of a team
- Excellent writing, communication, networking and negotiation skills
- Fluent English, other languages an asset

### What we offer:

- An open-ended Belgian contract with a competitive salary package €4.000- €5.160 according to the ECOS salary scale and depending on skills and relevant experience of the candidate
- A benefits package (meal vouchers, pension scheme, 13th month, excellent insurances, public transport, eco-cheques etc.)
- A flexible, dynamic, and very pleasant international working environment
- Being part of a dedicated team whose common goal it is to protect the environment
- A commitment to an inclusive and empowering approach to addressing our environmental challenges

### How to apply:

Applicants should send a CV and cover letter by no later than 6 March to: [info@ecostandard.org](mailto:info@ecostandard.org), with the subject line "SPM-Buildings & Industry: your name". The first round of interviews will take place shortly after the application deadline. We regret that only short-listed candidates will be contacted.

*ECOS is an equal opportunity employer that is committed to diversity and inclusion in the workplace. At ECOS, we believe diversity is what makes our work richer and our team stronger. Your race, nationality, colour, gender, age, religion, disability, status, or sexual orientation are NOT important to us, we value your knowledge and commitment. If you believe you can contribute to our common goal, we encourage you to apply.*
